

33rd CONGRESS OF INTERNATIONAL COLLEGE FOR MAXILLOFACIAL SURGERY

Day 1. 9.10.2023

08:00-09:00	Registration					
Hall A – Craniofacial/Cleft lip and palate			Hall B – Guest society – Azerbaijan Association of Aesthetic Medicine			
Chairperson -			Chairperson -			
09:00-09:30	Prof. Alexander L. Ivanov	Preservation Palatoplasty: Principles and Advantages of a Novel Approach	09:00-09:20			
09:30-10:00	Prof. S.M. Balaji	Management of Orbital dystopia	09:20-09:40			
10:00-10:30	Prof. Milan Knezevic	Surgical correction of syndromic and nonsyndromic craneosynostosis	09:40-10:00			
			10:00-10:20			
10:30-10:45	Panel discussion		10:20-10:45	Panel discussion		
10:45-11:15	Coffee break		E-poster -			Exhibition

Hall A – Head and Neck Surgery and Oncology			Hall B – Guest society – Azerbaijan Association of Aesthetic Medicine			
Chairperson -			Chairperson -			
11:15-11:45	Prof. Jatin P. Shah	Changing role of surgery in the multidisciplinary management of tumors of the Head and Neck.	11:15-11:35			
11:45-12:15	Prof. Alek Racic	Depleted uranium munitions as the cause of Increasing of Rare Head and Neck tumors	11:35-11:55			
12:15-12:45	Prof. Igor V. Reshetov	Innovation of Additive technologies and Augmented reality in head and Neck surgery	11:55-12:15			
			12:15-12.35			
12:45-13:00	Panel discussion		12:35-13:00	Panel discussion		
13:00-14:00	Lunch break		E-poster			Exhibition

Hall A – Plastic and Reconstructive surgery			Hall B – Guest society – Azerbaijan Society of Oral Implantologist			Masterclass – Facial surgery. Cadaver course – theoretical part
Chairperson -			Chairperson -			Moderator – Prof. Vagiv Gelender
14:00-14:30	Prof. Zoe Nicolaou	The Evolution in correction of Posttraumatic Enophthalmos	14:00-14:20			
14:30-15:00			14:20-14:40			
15:00-15:30	Prof. Adham Hasanov	Reconstructive surgery for the soft tissue defect of maxillofacial region.	14:40-15:00			
			15:00-15:20			
15:30-15:45	Panel discussion		15:20-15:45	Panel discussion		
15:45-16:15	Coffee break		E-poster			Exhibition

Hall A – OMF Trauma surgery			Hall B – Guest society – Azerbaijan Society of Oral Implantologist			Masterclass – Facial surgery. Cadaver course – practical part
Chairperson -			Chairperson -			Moderator – Prof. Vagiv Gelender
16:15- 16:45	Dr. Francesco Lemma	Volumetric Changes Following Conservative and Surgical Treatment of Condylar Fractures	16:15- 16:35			
16:45- 17:15	Prof. João Gualberto C. Luz	Effects of photobiomodulation therapy on mandibular movements in the surgical treatment of mandible fractures	16:35- 16:55			
17:15- 17:45	Prof. Zygmunt Stopa	Mandibular condylar fractures in children and adolescents	16:55- 17:15			

			17:15-17:35			
17:45-18:00	Panel discussion		17:35-18:00	Panel discussion		
18:30-19:30	Opening ceremony, welcome reception, concert					

33rd CONGRESS OF INTERNATIONAL COLLEGE FOR MAXILLOFACIAL SURGERY

Day 2. 10.10.2023

08:00-09:00	Registration					
Hall A – Head and Neck surgery and oncology			Hall B – CAD/CAM			
Chairperson -			Chairperson -			
09:00-09:30	Prof. Jatin P. Shah	Global outcomes of Skull Base surgery for malignant tumors.	09:00-09:20	Dr.Andrei Krasovsky	Application of Different Design Methods for Patient-Specific Implants in Orbital Reconstructions Using Novel 3D Technology: When, How and Why	
09:30-10:00	Prof. Riaz Ahmed Warraich	Skull Base Surgery: A Challenge and Opportunity for the Maxillofacial Surgeon	09:20-09:40	Dr. Dekel Shilo	Reconstruction of the craniofacial complex using patient specific tailored treatments	
10:00-10:30		Face Transplant 2.0: Innovation	09:40-10:00	Dr. Ori Blanc	3D Reconstruction of Atrophic Jaws using	

	Prof. Jean Paul Meningaud	in the Wake of Chronic Rejection and Cancer			CAD/CAM Technology – From Planning to Execution	
			10:00-10:20			
10:30-10:45	Panel discussion		10:20-10:45	Panel discussion		
10:45-11:15	Coffee break		E-poster -			Exhibition
Hall A – Orthognathic surgery/CLP			Hall B – Tissue engineering/Technology			
Chairperson -			Chairperson -			
11:15-11:45	Prof. Alexander L. Ivanov	Orthognathic Surgery in Rehabilitation of Cleft Lip and Palate Patients	11:15-11:35	Dr. Dekel Shilo	Regeneration of critical size defects using biodegradable scaffolds	
11:45-12:15	Prof. Reha Kisnishchi	Clefts Do’s and Don’ts	11:35-11:55	Dr. Togrul Aliyev	Reconstruction of the severely resorbed totally edentulous maxilla using the tent pole technique.	

12:15-12:45	Prof. Hamid-Reza Sarajian	Dentofacial distraction	11:55-12:15			
			12:15-12.35			
12:45-13:00	Panel discussion		12:35-13:00	Panel discussion		
13:00-14:00	Lunch break		E-poster			Exhibition
Hall A – Craniofacial/Cleft Lip and Palate			Hall B –			Hall C – Zygoma Implantation
Chairperson -			Chairperson -			Moderator – Dr. Jabbar Hasanov
14:00-14:30	Prof. Nik Kantaputra	PLEC is a novel gene for congenital insensitivity to pain and isolated dental anomalies	14:00-14:20			
14:30-15:00	Prof. Othman Al Tuwairgi	Bits and pieces in Maxillofacial abnormal bone fusion and malformation	14:20-14:40			

15:00-15:30	Prof. S.M. Balaji	Decannulation dilemmas: timing tracheostomy tube removal in children with craniofacial deformities	14:40-15:00			
			15:00-15:20			
15:30-15:45	Panel discussion		15:20-15:45	Panel discussion		
15:45-16:15	Coffee break		E-poster			Exhibition
Hall A – Orthognathic Surgery/ Dentofacial			Hall B – Guest society – Azerbaijan Association of Aesthetic Medicine			Hall C – General assembly of ICMFS
Chairperson -			Chairperson -			Chairperson -

16:15-16:45	Prof. Young Wook Park	Postoperative skeletal stability of bioresorbable osteofixation in a series of orthognathic surgeries (OGS) involving "major segmental movements"	16:15-16:35			
16:45-17:15	Dr. Emrah Soylu	From Planning to Recovery: Management of Orthognathic Surgery	16:35-16:55			
17:15-17:45	Prof. Fatih Mehmet Coskunes	Prebent Miniplates in Le Fort I Osteotomy: Biomechanical and Clinical Insights	16:55-17:15			
			17:15-17:35			

17:45-18:00	Panel discussion	17:35-18:00	Panel discussion	
18:00-19:00	Gala Dinner			

Day 3. 11.10.2025

08:00-09:00	Registration				
Hall A – TMJ			Hall B – Free papers		
Chairperson -			Chairperson -		
09:00-09:30	Dr.Sajjad Walji	TMJ Reconstruction With TMJ Prostheses	09:00-09:10		
			09:10-09:20		
			09:20-09:30		
09:30-10:00	Assoc.Prof Erol Cansiz	Simultaneous total joint replacement and orthognathic surgery	09:30-09:40		
			09:40-09:50		
10:00-10:30	Prof. Dr. Mustafa Sancar ATAÇ	Custom vs stock total temporomandibular joint replacement prosthesis	09:40-10:00		
			10:00-10:10		

			10:10-10:20			
			10:20-10:30			
10:30-10:45	Panel discussion		10:30-10:40			
10:45-11:15	Coffee break		E-poster -		Exhibition	
Hall A – Head and Neck surgery and oncology			Hall B – Free Papers – Young doctors’ session			
Chairperson -			Chairperson -			
11:15-11:45			11:15-11:25			
			11:25-11:35			
			11:35-11:45			
11:45-12:15			11:45-11:55			
12:15-12:45			11:55-12:05			
			12:05-12:15			
			12:15-12:25			

			12:25-12:35			
			12:35-12:45			
12:45-13:00	Panel discussion		12:45-12:55			
13:00-14:00	Coffee break		E-poster		Exhibition	
Hall A – Plastic and Reconstructive surgery			Hall B – Guest society – Turkish association of oral and maxillofacial surgery - TAOMS			
Chairperson -			Chairperson -			
14:00-14:30	Dr. Ahmet Emin Demirbaş	Transforming Orthognathic Surgery: The Minimally Invasive Le Fort I Approach	14:00-14:20	Prof. Dr. Cemil İşler	Iliac Graft Augmentation in Edentulous Jaws and Management of Its Complications	
14:30-15:00			14:20-14:40	Prof. Dr. Ufuk Tatli	Open TMJ Surgery Techniques for Internal Derangements	

15:00-15:30			14:40-15:00	Prof.dr. Ömür Dereci	Cemento-Osseous Dysplasia; Diagnostic Challenges and an Update on Ethiology.	
			15:00-15:20	Associate Prof. Dr. Emre Yurttutan	Minimally Invasive (MI) Orthognathic Surgery	
15:30-15:45	Panel discussion		15:20-15:45	Panel discussion		
16:15-16:45	Closing ceremony					

Registration

E-poster

Exhibition

Lunch break

Coffee break

Plenary session

Masterclass

Oral presentations

Opening ceremony

Gala dinner

Closing ceremony

Guest society – Azerbaijan Society of Oral Implantologist

Guest society – Azerbaijan Association of Aesthetic
Medicine

Guest society – Turkish Association of Oral and Maxillofacial
surgery – TAOMS
